October 21, 2014

To whom it may concern:

This is to certify that all the ingredients contained in all products manufactured and sold by Greenbush Bakery are prepared under strict rabbinic supervision with accompanying letters of Kashrut certification. All cleaning products used for surfaces and cooking appliances are also kosher. All products manufactured and sold at Greenbush Bakery are under my personal supervision and are accordingly kosher.

All products manufactured and sold at Greenbush Bakery are dairy.

Please note, however, the following exceptions: PepsiCo products are prepared from ingredients under rabbinic supervision but in a local plant, WIS-PAK, in Watertown WI, that is not under rabbinic supervision.

Also, this letter does not apply to Larsen's Kringles, which are sold in closed packages.

This certification is effective through October 20, 2015, and is subject to renewal at that time.

Sincerely,

Rabbi Kenneth Katz
